

We would again like to thank you for your interest in the Trade Navigator.

Many users have been asking how to setup your TransAct account in Trade Navigator.

Here are the steps to follow.

To activate/setup your TransAct account with the Trade Navigator:

If you have not downloaded a trial version from Genesis:

Click the link below to get access to the Trade Navigator software.

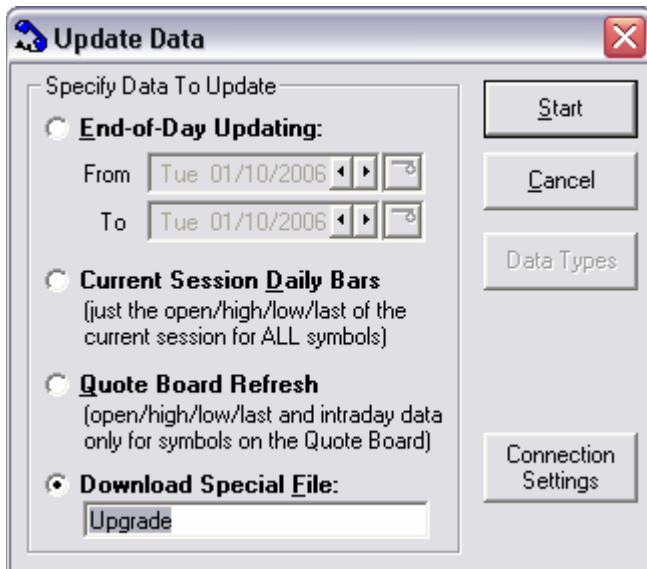

www.genesisft.com/Landing1.asp?V=FastBrokers

If you already have a demo account with Genesis follow these steps.

From within the Trade Navigator Program select the download icon.

This brings up the downloading option screen

Click on the Download Special File, upgrade.

After upgrading, your trade console will show

		On	Account	Balance	Open Equity	Current Value
Buy	Sell		Personal Account	\$26,458.00	\$0.00	\$26,458.00
			Equity	\$25,000.00	\$0.00	\$25,000.00
			Setup TransAct Account			

Summary / Open Orders / Positions / **Accounts** / Auto Trading / Activity Log

Click on the Setup Transact Account cell.

If you have not signed the risk disclosure agreement you will see

Live Trading Setup

To enable live trading, you will need to sign the risk disclosure agreement. Would you like to complete an 'online agreement' now?

Pressing continue brings up the risk disclosure agreement.

I Understand and Agree with the statements above.

I acknowledge and accept all the terms of this agreement. Check box if you agree.
